

Technical Specifications for Under Her Skin

Under Her Skin has some flexibility on technical requirements, depending on the venue.

Sound

Fiddle – own wireless mic.

Bass – DI

Clogs – may or may not need miccing if it's a wooden floor – poss PZM (to DI) if so.

Vox x 2 – wireless clip on mics.

Please contact Laurel Swift for more details: swiftlj@gmail.com

Lights

A single, constant lighting state is absolutely fine, more detailed requirements can be discussed with Debs Newbold: deborahnewbold@hotmail.com

Space

A performing space 2m x 3m minimum.
